9 m—29* SAN FRANCISCO NOTICES.

O OBTAIN accurate rates of your chron is of the first importance, requiring from one who undertakes the task constant attention and who undertakes the task constant attention and proper instruments. We therefore apprise you of the all-important fact, that we do nor rate by artificial horizon and sextant, but that we do possess and rate by the only transit and astronomical clock in the country. We are ourselves practical chronometer makers of experience in London, Liverpool, and New Orleans, and are established in San Francisco, long enough to have our abilities tested. We submit the following testimonials from captains who have country. We are ourselves practical chronometer makers of experience in London, Liverpool, and New Orleans, and are established in San Francisco, long enough to have our abilities tested. We submit the following testimonials from captains who have tried the accuracy of our rates on frequent voyages to Panama, China, India, Sandwich Islands, &c., &c.

"We certify that the rates of our chronometers, as ascertained by Messrs. Barrett & Sherwood, City observatory, we have found on trial to be invariably servatory, we have found on trial to be invariably and plain, and every variety and quality, also English and American letter and cap paper, ruled and plain, and every variety and quality, also English and American letter and cap paper, ruled and plain, and every variety and quality, also English and American letter and cap paper, ruled and plain, and every variety and quality, do boots and shoes, do shooting coats.
